

# DESKTOP DEVELOPMENT ENVIRONMENT

Your developer number is

**In the accompanying email**

Keep this number safe, it will be required for support queries, upgrades and special offers.

## **SOFTWARE (see below for terms of use)**

A tool chain comprising: C and C++ Compilers, Assembler, Linker  
Make, Library management, and Module Header Generator utilities  
Desktop Debugger and Object file decomposer  
C++ streams and complex maths libraries  
Change logs, coding standards, numerous sample projects, and low level technical material

## **MANUALS (see below for terms of use)**

Programmers Reference Manuals 1-4 & 5a  
Acorn C/C++, Acorn Assembler, Desktop Tools Manuals  
User Interface Toolbox Manual  
RISC OS Style Guide  
Archimedes BASIC Compiler Manual

## **OTHER SOFTWARE (included as part of the suite, by kind permission)**

User Interface Toolbox library, modules, with Resource Editor  
Full featured developer !System, plus cut down end user distributable !System  
Archimedes BASIC Compiler  
System header files and supporting libraries  
Shared Makefiles for building applications, modules, libraries, and utilities  
Allocate, CreateSEC, WinEdit utilities  
SrcEdit text editor, Perl, Routines, A8Time, and SID companion tools

**This software is distributed by RISC OS Open Limited under the following licence agreement:**

### **1. Licence**

The system, application, utilities and other software supplied in and with the accompanying product ("the software"), whether on disc, on ROM, on CD-ROM or other media ("the media") together with the related documentation are licensed to you by RISC OS Open Limited ("ROOL"). ROOL or its licensors retain ownership of all intellectual property rights in the Software. This licence permits you to use the Software on a single RISC OS computer and you may make one copy of the Software for backup purposes only. You may be granted additional rights, which will be specified in the accompanying Software. You must reproduce on any back-up copy of the Software all copyright and proprietary notices which appear on the original copy of the Software. You may transfer all of your licence rights in the Software and related documentation ONLY in conjunction with the transfer of the accompanying product AND provided that the transferee has read and agreed to accept the terms and conditions of this licence.

### **2. Restrictions**

Except as authorised above or expressly permitted by statute, you may not copy, modify, decompile, reverse engineer, rent, lease, gift, loan, distribute or transfer possession of the Software or the related documentation in whole or part.

### **3. Termination**

This licence is effective until terminated. You may terminate the licence by destroying the Software and all copies thereof and the related documentation. This licence will terminate automatically without notice if you fail to comply with any of its provisions. Upon termination you must destroy the Software and all copies thereof and related documentation.

### **4. Limited Warranty and Disclaimer**

ROOL warrants that the Media upon which the Software is supplied are free from defects under normal use for a period of ninety (90) days from the date of purchase, as evidenced by a copy of your receipt. ROOL or its Authorised Dealer will repair or replace defective media if returned within ninety days of purchase.

The software and the related documentation is supplied 'as is' and ROOL and its licensors expressly disclaim any warranty, express or implied, as to the merchantability of the Software and the related documentation or their fitness for any particular purpose.  
In no circumstances will ROOL, its licensors or its dealers be liable for any direct, indirect, consequential or incidental damage (including loss of profits, business interruption and loss of data) arising out of the use or the inability to use the Software or related documentation, even if ROOL or its Authorised Dealer has been advised of the possibility of such damage.

### **5. General**

The above terms and conditions supersede any prior agreement, oral or written, between you and ROOL relating to the Software.
